

WE WANT TO **tell** YOUR **STORY!**

Once a year, Living Magazine recognizes the significance of local women in leadership. This annual **Leading Women Special Section** showcases exceptional female entrepreneurs and professionals who have actively contributed to making their community a better place to live.

WHY PARTNER WITH LIVING MAGAZINE?

One of the most important aspects of your business is building a recognizable brand within the community you serve. When you are profiled in the pages of **Leading Women**, your brand visibility is amplified as your story is viewed by tens of thousands of print and digital readers. This unique method of marketing is an excellent way to build awareness, trust, and loyalty with a captive and targeted audience.

Your profile in **Leading Women** includes a staff writer who will highlight your success in a story format, and we'll even bring in a professional photographer to ensure the community gets to know you personally.

Don't miss out on this opportunity to share your story with new neighbors and community friends. As a special bonus, your story will be listed on LivingMagazine.net's homepage under **"2022 Leading Women."**
